

NARAGEBUP COMMUNITY GARDEN

*Growing fresh organic vegies,
Building our community,*

*Sharing the knowledge,
Adding to food security*

And enjoying it all.

AGREEMENT

This agreement is between the Rockingham Environment Centre,
Naragebup, and registered gardener(s) _____

of _____

I/We agree to

1. Be good neighbours and help build a community
2. Visit our plot at least weekly (or arrange for a stand-in)
3. Control weeds in our plot
4. Use organic methods where possible and consult with co-ordinator about how to deal with pests and weeds
5. Use our own tools but ensure they are cleaned before use
6. Grow only legal plants
7. Attend two out of three planning meetings a year
8. Discuss issues using a consensus approach, take unresolved issues to the meeting and abide by its decisions
9. Contribute time every three months to communal work
10. Maintain Naragebup membership and pay current plot fees
11. Relinquish our patch if, after a reminder from the co-ordinator, we are unable to meet the above.

Naragebup agrees to

1. Maintain the reticulation to a minimal level
2. Provide members with keys to a padlock on the back gate
3. Construct plots for new members
4. Supply some compost and bleach to wipe tools
5. Provide a shelter for members
6. Take messages and put them in a receptacle at Reception
7. Erect a notice board
8. Provide insurance cover for gardeners who are members.
